See report attached to these minutes in the secretary's notebook.

I. Old Business

Cup Sales - Vernon Ratliff reported that the last of the cups are in and are being distributed.

Fruit Sale - Vernon Ratliff reported he has received the final bill but needs to review it. He requested any further report be tabled until the March meeting.

II. Committee reports

Kim reminded everyone that Committee Chair positions run from the beginning to the end of the school year.

Scholarship - Velina Baker reported that we need 2 freshman parents to volunteer for this committee due to the fact that senior parents are not allowed on this committee. If you are interested in volunteering please

contact Velina. Senior scholarship requirements will be posted on the website in March.

III. New Business

Spring Trip - Tim Morgan reported that everyone needs to **PAY YOUR MONEY !!!** There are also a few adult and student rooms available. If you are interested in those spots see Tim ASAP and Pay Your Money.

Chaperone Meeting - Kim reported on the meeting held 2/8/10. The duties of the chaperones were discussed and assignments were divided. There will be one more meeting held after the March Booster meeting. If you are going to be a chaperone please plan to attend this meeting.

BBQ - Tim Morgan reported the booster will not cook the BBQ ourselves this year. We will contract out the cooking portion of the fund raiser. The goal is to have tickets in our hands before spring break so we can begin selling tickets. We have a great group of volunteers for this committee which are as follows: Allison, Starla, Brock, and Vernon will be available for consultation whenever needed. We still need a Chairman to wrangle this group so if you are interested please contact Tim or Kim.

Papa Johns Fundraiser - This will be tabled until next meeting.

AutoBell Fundraiser - Velina Baker reported we will begin taking orders for the AutoBell certificates now. The sale will go until the end of March and we should collect money when we take the orders. The certificates do not expire and can be used at any AutoBell in any state NC, SC, VA, and GA. You can print out extra presale forms from the booster website. Each certificate sells for \$13.95 and about \$6.00 of each certificate will go to your students account. So get out there and sell, sell, sell!!!!

d'essence fundraiser - Serena Favorite handed out packets with all information. The sale will run from 2/9/10 - 3/2/10. Money needs to be collected at the time of the order. Money and orders will be collected after Band practice on 2/16 & 2/23. Each atomizer of perfume is \$10.00 and ½ of that will go toward your students account. For more information on the products go to www.lmsfragrances.com/ronad , and for additional packets contact Serena. A packet is also on file in the secretary's notebook attached to these minutes.

Student Accounts - James Clanton stated that anytime you have a problem with your account please let Kim know and she will pass the information on to James so he can try to recreate the problem in order to fix it.

Band Bash - Kim Campbell and Velina Baker reported on next years Band Bash. We will keep the same date as previous years, we will be investigating having a dual competition; half being Corp style and the other being High Stepping. Only one set of judges will be needed and we may want to change the Corp style competition into an exhibition instead since it is so early in the season. Penny has notebooks from prior Band Bash years to pass on to the next chairman. We will need 2 chairman for this year one to handle each style competition. Please consider helping by becoming a chairman for Bash and let Kim know if you are interested. A survey committee was formed to find out interest from area High Stepping bands and evaluate their responses. The committee will be Penny, Allison, and Mr. Scott.

IV. Mr. Scott's Comments

An updated calendar was sent out today. He apologized for not sending out a chaperone meeting reminder for last night.

Please check your students span account to make sure their grades are correct for 1st semester and that they are scheduled for spring semester. Their first playing test grade should be posted already. If it is not they still need to complete the test.

Please ask your student for any new information from Mr. Scott at least weekly.

There is a recall on warm weather uniform jackets sizes 2t-YXL and XXS-XL. The drawstring around the neck is causing a problem. Mr. Scott will find out more information and what the procedure will be to correct the problem.

The Faculty was extremely grateful for the refreshments the Band Boosters provided for them at their last Faculty meeting.

Music in our Schools Concert will be held at 3:00pm on February 28th. Both

Concert, Symphonic, and Middle Creek's Bands will perform. There will be feedback given by judges that night.

Up to date volunteer ID's need to be made by Ms. Cotton. She will be glad to make them but we need to come up with a time that works for all.

Ken Diggins past away from a heart attack. (the gentleman who made the cruise and band shirts last year). A card will be sent.

Meeting adjourned at 7:16pm.

Next Booster meeting will be held on March 2, 2010 at 6:00pm.
